

NEW! Motorcycle Chock by M-3

Constructed with 11 gauge steel this new flush floor mounted wheel chock adds strength and durability to a space saving design. When not in use the chock folds flush inside the floor tray. To use simply pull the chock up and lock into place. The front wheel of your motorcycle drops into the tray and against the chock. A 20 1/2" x 7 1/4" floor opening is required. Overall dimensions are 23" x 10". Custom sizes are available. Call today for a quote!
